hereinafter referred to as the applicant, do hereby agree to be audited under the voluntary USDA GAP&GHP Program. The audit shall include verification of the company's farm(s), packing facilities, storage facilities, wholesale distribution centers or other locations as applicable to the audit scope(s).

1. The applicant agrees that with respect to:

- a. Laws, Regulation, Statutes** - To conform to all applicable Federal, State, and local government laws, regulations, or statutes, including, but not limited to: Regulations Governing Inspection and Certification of Fruits and Vegetables and Related Products (7 CFR, Part 52), any other pertinent regulations, and any such instructions covering inspection and certification of the products and verification of the processes as may be issued by AMS.
- b. Audit Request** - To call and schedule the audit with the appropriate federal or federal-state inspection office. The request for the initial audit will be made no later than two (2) weeks prior to the end of the growing/harvesting/packing season.
- c. Records** - To maintain all records required by the GAP&GHP Program including, but not limited to, food safety manual, water test results, employee training records, manure use records, and other records as required in either the Food Safety manual or GAP&GHP Program checklist. The applicant shall make these records available to USDA federal and/or federal-state GAP&GHP auditors.
- d. Access to Facilities** - To grant permission for AMS authorized personnel to enter any and all farms and/or facilities covered by the GAP&GHP Program for the purposes of conducting the audit. This includes the initial audit and any unannounced audits that may be required by the program.
- e. Payment** - To pay by credit card, check, draft, or money order drawn to the order of the appropriate federal or federal-state agency for the services covered herein on or before the due date specified on the bill. Charges for GAP&GHP audits include, but are not limited to, the audit fee as listed in the fee schedule or Federal Register and travel expenses for the initial audit and any unannounced audits as may be required by the program.

2. AMS agrees that with respect to:

- a. Perform Audit** – To provide objective third-party verification of the applicant’s food safety program utilizing the *USDA Good Agricultural Practices & Good Handling Practices Audit Verification Program Checklist*, hereinafter referred to as the Checklist.
- b. Opening & Exit Interviews** - To discuss the audit prior to and report the results and observations with the applicant after each audit and provide a copy of the completed Checklist.
- c. Reports** - To issue to the applicant reports of all audits and evaluations of the applicant’s food safety program and provide written notification of any deficiencies found, if any.
- d. Confidentiality** - To consider and treat any trade secrets or confidential information as proprietary and confidential. To consider any food safety records and related information provided to AMS as information that is voluntarily submitted to AMS because of their participation in the GAP&GHP Program.
- e. Issuance of Certificate, Posting and Sharing Audit Results** - To issue a certificate to the applicant and, when requested, to post audit results to the USDA website, with the exception of the Preventative Food Security Procedures scope, only when the applicant receives at least the minimum passing score for each scope being audited. To provide the specific applicant checklist and results of individual questions to other parties only at the written request of the applicant. NOTE: Reports containing a compilation of generic audit information may be shared with the Food and Drug Administration. Any personal information linking the audit results to the auditee shall be redacted prior to issuance.

3. It is mutually agreed that with respect to:

- a. Length of Service** - That the audit results are valid for one year from the date of the initial audit, provided that at least the minimum score is achieved on both the initial audit and any unannounced audits that may be required by the program. This agreement shall remain in effect for the length of time the auditee remains a participant in the GAP&GHP program.
- b. Maintaining Certification** - That a company’s information will only remain on the USDA website if any and all unannounced audits show satisfactory adherence to the program. If the minimum passing score is not achieved, the company’s information will be removed from the website until a follow-up audit is conducted by AMS verifying that effective corrective actions have been taken and the company attains the minimum score on all appropriate scopes of the audit.

Should AMS personnel be at a facility for other purposes and notice issues that would jeopardize the company's standing on the GAP&GHP Program, AMS has the obligation to bring this to the attention of the company representative and depending on the severity withdraw certification.
