Section 4: Reflecting on your Project

This is to be completed at the end of your project year, revisit the goals that you set at the start of the year to assist you in thinking about these questions.

If another member was thinking about taking on this project next year, what would you tell them about what could be learned in this project?

Reflect on what you have learned from mistakes during this process. What problems did you encounter and how did you solve them? How can you apply what you have learned to your life?
