Section 5: Community Service, Citizenship & Leadership Activities

These activities do not have to be directly related to your 4-H club work. Please duplicate as needed.

Community Service Community Service is an important part of any 4-H project. Community service activities must benefit people who are not related to you. If you receive any sort of compensation for this activity it becomes a job and not a service activity. Compensation includes money, services or favors such as reduction in board or other fees. Be very specific about activities and results.
