Grilled Cheese Contest at Maine State 4-H Dairy Show
Saturday July 20 at 2:00

For clarification the rules in our packet are for the contest at Eastern States.

At the State level we have an individual contest to determine who makes the teams.

Only ESE kids can be on teams but younger kids are encouraged to participate at the state level.

There are some griddles, spatulas, knives, cutting boards, gloves and extension cords available for participants to use. If you can bring your own that would be great.

Some cheese, butter and bread will be available to use as well but here you are encouraged to bring your own ingredients and be creative. Using products made in Maine is a good idea.

At our state level you are to make your own individual sandwich and cut it into 4 pieces. If we have a lot of kids we may have teams of 2.

There are 2 categories:
“Anything Goes” Must be mostly cheese, could be sweet or savory
“Traditional” Bread, butter, cheese

Top 3 scores from each category will make the team. If they don't want to be on the team the next highest score will be asked to participate.

Highest score overall will be “Best in Show”

You can participate in each category, but may be asked to choose which one you would like to compete in at ESE if you are top scorer in both.

When teams are decided we will have a short meeting to determine sandwich types, get info and assign jobs etc.

We will need 4-6 judges. 2:00-4:00
