Become a 4-H SPIN Club Volunteer

A 4-H SPIN Club is a special interest club where four or more young people learn about a topic of interest. Topics vary and include interests such as nature, heritage arts, science, photography, gardening, shooting sports, and more. SPIN clubs are led by volunteers who have a passion for learning and want to share their knowledge with young people.

Be the Spark that Inspires the Next Generation

<td>We are looking for adults who have a talent or interest that they are willing and able to teach to young people in local communities. We are planning now for SPIN clubs that will meet in the next three to six months.</td>
<td>Have a positive impact on the next generation of young people in your community by sharing your experience and knowledge in a subject area you’re passionate about. Help fuel the extraordinary efforts of our youth by joining us as a 4-H SPIN club volunteer.</td>
<td>SPIN clubs are planned around the volunteer’s availability. A club meets for at least one hour, six or more times per year. Meeting dates are selected by the volunteer, based on participants’ availability. The meeting location is chosen for the type of activity and number of participants.</td>
