GUIDELINES FOR CONTRACT NEGOTIATIONS

The following guidelines were put together to assist the Appaloosa Horse Club [ApHC] Judges in negotiating their judging contracts. An open line of communication with show management is strongly encouraged so that all details of the contract may be specified and put in writing. The ApHC judges are free agents when it comes to negotiating a judging contract with a show; however, they are also a representative of the ApHC at all times. By following these guidelines, the judge and show management will both benefit.

New England 4-H Rule Book
Revised February 2013

☑ Will there be any futurities/maturities, special events or awards presentations, etc.?

Transportation Arrangements
☑ How will you travel to the show? If you are flying, will you purchase your own airline ticket or will show management do that for you? If you are driving, will you be reimbursed for mileage?
☑ If you are flying, who is going to pick you up at the airport and bring you back to the airport or will you need to take a shuttle or taxicab? Will you be reimbursed for the shuttle or taxicab expense? If you have to rent a car, will this already be arranged and paid for or will you be reimbursed for this expense?
☑ If you are traveling overseas, did you get your passport?

Lodging Accommodations
☑ Where will you be staying?
☑ Do you have directions to the hotel?
☑ Is your room guaranteed for late arrival?

Getting To and From Show Grounds
☑ Will you be picked up and taken to the show grounds or are you responsible for getting there yourself?
☑ If you are driving yourself, when are you expected to arrive at the show grounds?
☑ Do you know how long it takes to get to the show grounds so that you are sure you will allow enough time to get there?
☑ Did you request a show schedule so that you have written verification of your requested arrival time?

Meals
☑ Will meals be supplied or will a per diem be given?

Show Management Contact Person
☑ Are you sure that all your contract specifications are going to be put in writing and you will have a chance to approve them?
☑ Did you request receipt of your contract within a specified length of time? (e.g. within 30 days of phone conversation.)
☑ If you do not receive written verification that you are indeed judging the show, be sure to call and reconfirm before accepting other offers.
☑ Did you ask for a follow-up call from show management right before the show to reconfirm arrival time, transportation and lodging arrangements?
☑ Did you get the names and phone numbers of two contact people (an alternate in case the first person cannot be reached) that can be reached the day before and the day of the show in case of an emergency, etc?

Show Manager  Date  Judge  Date
New England 4-H Horse Project Helmet Rule

1. Effective January 1, 2002, all youth under 19 participating in any 4-H equestrian activity, regardless of seat, shall wear a properly fitted equestrian helmet with carries a current ASTM/SEI approval with secured chin harness properly fastened at all times when mounted on an equine or in a vehicle being pulled by one or more equines.

2. It is the responsibility of the rider or the parent or guardian of the minor rider, to see to it that the headgear worn complies with such approved standards and carries the proper seals, and is properly fitted and in good condition. Due to degeneration concerns, equestrian and sport manufacturers recommend replacement every five years. The New England 4-H Council Horse Program, organizing committees, and licensed officials or leaders are not responsible for checking headgear worn for such compliance. The New England 4-H Horse Program or said committees and officials and leaders make no representation or warranty, expressed or implied, about such headgear and cautions riders that serious injury may result despite wearing headgear, as no helmet can protect against all foreseeable injuries in equestrian activities.

3. At any 4-H equestrian activity, the official activity manager (e.g. show manager, clinic organizer, club leader) may, at his/her discretion, check a participant’s equestrian helmet for proper standards. If the participant is found to be wearing an unapproved, defective or improperly fitted helmet, he/she will NOT be permitted to participate in any mounted or driving activities until proper headgear is acquired.

4. The approved helmet requirement supersedes all hat and helmet requirements as stated under appointments in the current set of rules and regulations.

3. The show management should be acutely aware of the necessity for adequate insurance coverage for any liability arising from incidents, which could occur at horse shows.

In addition to the actual coverage for the show itself, the Show Committee should require that all independent contractors, including concessionaires, be required to provide evidence that they have Workmen’s Compensation Insurance and Public Liability in force for the duration of the show or event.

PLACING WHEN USING ONE JUDGE

Explanation of Danish System of Scoring

Danish System is designed to individually score contestants on the merits of their performance. Each individual competes against the criteria designated in the rule book under “class description”. Competitors **DO NOT** compete against each other so much as they compete against a theoretical perfect performance. The judge must determine what percent of perfect the competitor performed.

Differences between Fitting & Showmanship and Performance Classes

Danish and Show Scoring:

New England 4-H Rule Book
Revised February 2013
Fitting and Showmanship - A perfect score is 100%.

If the contestant performed 90% perfect or better, he/she scores a Blue (grade A) Danish ribbon.

If his/her score is between 80-89% perfect, he/she receives a Red (grade B) Danish ribbon.

If his/her score is between 79% perfect or below he/she scores a White (grade C) Danish ribbon.

The actual numerical score the judge awards each competitor is used as the show point score for that class. NOTE: The percentage (%) is different for two judges scoring.

Performance Classes - Performance classes are scored against a perfect score of 50.

The judge must determine what level the competitor performed at.

If the judge determines the rider performed:

A 90% or better ride scores 45 show points and a Blue (grade A) Danish ribbon.

An 80-89% ride scores 30 show points and a Red (grade B) Danish ribbon.

A 79% or below ride scores 15 show points and a White (grade C) Danish ribbon.

Definition of Show Rosettes

Shows may award Danish ribbons, show rosettes, or both. Show rosettes are the multi-streamer ribbons usually awarded at a regular horse show. They are colored Blue - 1st, Red - 2nd, Yellow - 3rd, White - 4th, Pink - 5th, and Green 6th.

When awarding show rosettes at a 4-H show, they may be given in addition to the Danish ribbons. The Danish ribbons denote the personal achievement of each individual competitor and the show rosettes place them according to their numerical score, first through sixth. Occasionally the highest scoring rider receives a Red or White Danish ribbon. In this case the show rosettes are still awarded starting with the blue and working down as in any other class, regardless of what color Danish ribbon the competitor received.

The awarding of rosette ribbons 1-6 should be given in numerical order 1-6 of the top six highest scores on the judge’s card.
