

## Illustrated Talk/Demonstration Aroostook County Level or Northern Maine Fair

### Public Speaking Categories

**Demonstration** - A presentation in which you explain and show step by step how to do a favorite project or food preparation. Must have a black and white supplies list poster and materials to do the demonstration. Other posters are optional.

**Illustrated Talk** - A short, original speech where the presenter gives information about a subject and uses visuals to explain something.

**Cloverbud Interpretive Reading** – Read a personal story about something you enjoy.

**Team Demonstration or Team Illustrated Talk**- As above, and limit to two team members. Each team's members must be from the same age division.

Presentations will be judged on the general categories of appropriate content: knowledge and organization; poise, appearance, and grooming; and delivery (voice volume, speed, eye contact, gestures, facial expression, and pronunciation). Demonstrations and exhibits will include workmanship, visual aids, and presentation. For copies of each score sheet and a booklet about demonstrations, go online to the Aroostook County 4-H website:
