

The University of Maine 4-H Shooting Sports Program will host a weekend workshop to certify volunteer leaders in **archery and rifle**.

Minimum enrollments are required in order to offer each discipline. Participants will be certified to teach one specific discipline to youth participating in a formal 4-H Shooting Sports Program.

Participants must arrange for and complete VOLT training with their county extension office before they can become Maine 4-H Shooting Sports volunteers.

Each state maintains its own standards for certification that may exceed those established by the National Committee, and may differ from Maine standards.
