

## What to Bring List

**CLOTHING:** These classes will be held outdoors for most of the day, so dress accordingly. Participants should bring warm, waterproof clothing, and footwear suitable for seasonal conditions. It is best to dress in layers; synthetic base layers such as a poly-pro long sleeve, a thicket fleece or pile type insulation layer, and jacket shell. The bunkhouse and cabins are heated by a wood stove or electric heaters. We still recommend bringing a 20 degree sleeping bag or blanket and sheet set (twin sized) for the additional warmth at night.

We also recommend the following:

- Warm winter hat
- Gloves or mittens (or both mittens are warmer, gloves provide more mobility.)
- Water bottle
- Sunglasses
- Sunscreen
- Snack
- Small daypack
- Tick / Bug repellent
- Notebook /Writing Utensil

Please consider bringing extra clothing options, in case something gets wet!
