The mission of the UMaine Gardens at Tidewater Farm is to provide agricultural and horticultural educational opportunities to the community utilizing research-based, environmentally friendly and sustainable gardening practices.

Support the Gardens!
The UMaine Gardens at Tidewater Farm are completely self-funded. Therefore, we rely on our donors for the funding necessary for maintenance, updates and programs to teach the community the best that gardening offers us here in Maine.

Donations can be made through an online secure server at umaine.edu/cumberland or with a check payable to the University of Maine. Mail to: UMaine Extension, 75 Clearwater Drive, Suite 104, Falmouth, ME 04105.
