

Appendix 1: Project Enrollment and Impact Reporting

You can use this form to get all your information ready for the online enrollment process.

Project Information

Project Start and End Date:

Are you accepting new volunteers and if so, how many?

When will you need volunteers? (Days of the week)

Will volunteers work with any of the following vulnerable populations?

- Youth
- Elderly

How did you acknowledge MGV contributions to your project in the past year (select all that apply)?

- Signage
- Annual reports
- Websites/newsletters
- Press releases

Questions for projects that grew, harvested, or gleaned food for donation:

1. How many volunteers were involved (including non-MGVs)
2. What were the total pounds of produce donated?
3. How many sites did the donated produce come from? (gardens, farms, etc)
4. Please list all sites that received donated produce.
5. Other information you'd like to share (seedling donations, partner organizations, etc)

Questions for projects that directly reached adults or youth:

Please estimate if needed:

1. How many adults did your project reach directly this year through workshops, school garden participation, etc.?
2. How many youths did your project reach directly this year?

Questions for projects that indirectly reached people:

Indirect reach would be people who did not directly interact with you and your volunteers, but still utilized a resource related to your project. Examples include: visitors to demonstration gardens, readers of newspaper or newsletter articles.

1. How many people did your project reach indirectly this year? (Estimate if needed)

Please share a story about how your project impacted the community or an individual this year:
