

4-H STYLE REVUE NARRATIVE (Commentary)

The commentary, or narration, describes the outfit you are wearing or the item you are showing to the audience. It lets them know more about you and your project. Your outfit comes alive on you, so make the most of your moment in the spotlight!

Describe your outfit from the outside-in (jacket before blouse) and from top to bottom (blouse then pants). Practice reading the narrative aloud and time it. It should last only 30-45 seconds. Here is a list of ideas to help you write your commentary:
