**Part I**

*Biographical*

Introduce yourself. Include your age, interests, and when and why you joined 4-H.

**Part II**

*Life Skills Listed & Life Skills Applied*

Choose five (5) of your strongest areas from the Life Skills Wheel that you have learned and/or improved from your 4-H experience. Include at least one life skill from each quadrant. Explain how you use each life skill in 4-H and in your daily life. Give an example of a major learning experience, special interest or unusual situation helped you to learn and apply each of these life skills.

**Part III**

*Life Skills and Working With Other Youth*

Describe what you learned from working with other youth in 4-H. Which of the life skills that you have learned or improved help you to work with others? Which life skills have you learned or improved because you work with others? Be sure to include life skill from each quadrant in your explanation.

**Part IV**

*Leadership*

Explain how you have demonstrated leadership in 4-H or in other activities you participate in. Describe your leadership skills, communication skills, how you prefer to make decisions, how you manage resources, how you like to work with groups.

**Part V**

*Community Service*

List several community service projects you have been involved in and list the number of hours you have participated in each. Pick one and describe it in detail. Describe how you were involved, how the service project impacted you, and how it impacted the community.

**Part VI**

Describe how your 4-H experience has contributed to “who you are” at the present time. Describe how 4-H participation influenced your school life and career goals. Tell about your plans for the future and the career you might like to pursue.

- **Service Learning** – gaining skills and experience by actively participating in community activities

Managing: Learning to use resources wisely to accomplish a goal

- **Goal Setting** – deciding on the end product or result; something toward which to work
- **Planning or Organizing** – a method for doing something that has been thought of ahead of time
- **Wise Use of Resources** – using sound judgment; not being wasteful; managing personal finances
- **Resiliency** – being able to deal with change; overcoming problems and difficulties

HEART

Relating: Learning to get along with other people

- **Communication** – exchanging thoughts, ideas, information or messages in a way that is respectful (Communication includes speaking and listening)
- **Cooperation** – working or acting together toward a common purpose
- **Social Skills** – showing respect and consideration for others
- **Conflict Resolution** – finding and using ways to resolve differences between two or more persons; getting along with others
- **Accepting Differences** – accepting that differences are okay (examples: differences of opinion, income, how you look)

Caring: Learning how to show understanding, kindness, concern and affection for others

- **Concern for Others** – caring about and giving attention to the well-being of others
- **Empathy** – being sensitive to another person’s situation and feelings
- **Sharing** – having, using or doing together with another or others
- **Nurturing Relationships** – providing care and attention to another person
HANDS
Giving: Learning to provide, supply or make something happen

*Community Service and Volunteering* – giving one's time and effort to help; doing something that makes a difference in someone's life without expecting a reward
*Leadership* – helping a group to reach its goals by showing or directing the way
*Responsible Citizenship* – being involved in one's town, state or country
*Contributions to Group Efforts* – sharing the responsibility of accomplishing the goal

Working: Learning physical or mental effort needed to accomplish something

*Marketable Skills* – developing the abilities to accomplish something
*Teamwork* – working together with at least one other person to accomplish all parts of a task
*Self-motivation* – being able to make the effort needed to carry out a task or a plan

HEALTH
Living: Learning to live freely without disease or injury; having a sound condition of body and mind

*Healthy Lifestyle Choices* – includes eating right, exercising regularly, getting enough rest, and resisting harmful activities (alcohol, drugs, smoking)
*Stress Management* – learning positive ways of managing stress
*Disease Prevention* – taking care of one's body and avoiding risky situations
*Personal Safety* – taking care to avoid danger, risk or harm; being cautious and careful in order to remain physically and emotionally safe

Being: Learning to be all that you can be; taking delight in who you are as a person

*Self-esteem* – taking pride in oneself, valuing oneself and understanding one's abilities
*Self-responsibility* – taking care of oneself and being accountable for one's behavior
