Come learn how to fine-tune your high tunnel crop production skills & visit the trade show. This conference is for high tunnel vegetable growers and agricultural service providers of all experience levels. View the **PROGRAM** on the following page.

PAT credits pending for New England & New York.

The University of Vermont and other sponsoring organizations offer education and employment to everyone without regard to race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or familial status. No person shall be denied the opportunity to participate because of an inability to pay. If you need an accommodation to participate in our programming, please contact Heather Bryant (UNH) at heather.bryant@unh.edu or (603) 787-6944 prior to the event. Given ample time, we will make any reasonable effort to meet your needs, including language access services if requested, which will be provided free of charge.
