2018 Union Fair

4-H SCHEDULE

Please check the Fair Flyer for updated 4-H show locations

Thursday, August 16

5:00-7:00pm Exhibits accepted at the 4-H Exhibition Yurt

Friday, August 17

4:00-7:00pm Exhibits accepted at the 4-H Exhibition Yurt

Saturday, August 18–Saturday, August 25

11:00am-5:00pm 4-H Farm-to-Fair (4-H Barn Area)

Wednesday, August 22

9:00am 4-H Horse Show (Riding Ring)

Thursday, August 23

9:00am 4-H Rabbit Show (4-H Barn Area)

4:00pm 4-H Small Domestic Pet Show (Sherman Park)

Saturday, August 25

8:30am 4-H Working Steer Show (Pulling Ring)

1:00pm 4-H Cloverbud Demonstrations (Livestock Show Ring)

2:00pm-6:00pm Exhibits must be removed from Yurt

KNOX-LINCOLN 4-H

2018 SHOW GUIDELINES

4-H GUIDING PRINCIPLES AND GOALS

This packet has been written to familiarize 4-H members, 4-H leaders, parents, fair officials and 4-H animal show judges with the “big picture” of 4-H, and the knowledge, skills, and attitudes the program strives to develop in 4-H members. It is a brief description of the goals and anticipated outcomes of the 4-H program, the ways that 4-H livestock projects support those goals, and program expectations of all the people involved. We urge everyone to read this packet carefully so that we can make our animal shows as authentically 4-H as possible.

The 4-H program is centered around members learning 4-H Life Skills. The 4-H club setting and 4-H project work are opportunities for 4-H youth to develop 4-H Life Skills, such as: leadership, goal-setting, developing plans of action, record-keeping, cooperation, teamwork, and good character, etc., while expanding their knowledge and skills about the project areas in which they are involved, such as: horses, woodworking, computers, and livestock, etc.

To achieve these goals kids need to feel successful, safe and positive about themselves and their experiences. We hope that this guide will help us all create the best possible experience for growth and learning for all our young people.

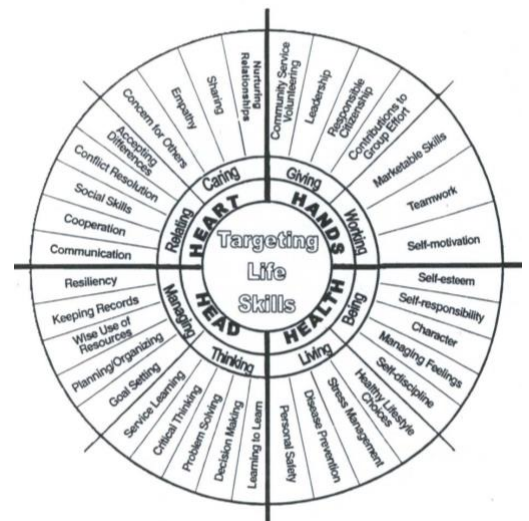

4-H LIFE SKILLS

The Maine 4-H program has adopted the “Targeting Life Skills Model” from Iowa State University as the set of life skills youth will practice and learn through all of their 4-H project and activity work. As you see on the wheel, life skills are arranged into skills related to the four H’s: Head, Heart, Hands, and Health.

4-H members are expected to keep project records which document both the project skills and the life skills learned and used in the project.

GOALS OF 4-H LIVESTOCK PROJECTS

The University of Maine Cooperative Extension 4-H livestock program has three goals:

1. To provide opportunities for youth to learn and practice 4-H Life Skills and to develop good character.
2. To teach young people to raise, train, fit and show an animal using the best practices identified by university research and industry.
3. To provide educational opportunities for 4-H youth and the viewing public to learn about 4-H and all aspects of participation in the show.

MODIFIED DANISH SYSTEM OF 4-H JUDGING

The Danish system is a method of evaluation where a product or process is evaluated against a set of standards and recognition is awarded on the degree to which the standard has been met by each competitor. In Danish system judging, the exhibitors are not judged against each other. In a “true” Danish system the standard of excellence is the same for everyone regardless of age or experience. In 4-H, a “modified” Danish system is used that uses standards adjusted according to member's age and years of experience in the project. The Danish system is used in 4-H for 9 through 18 year olds (4-H age as of December 31, 2017), because it is a way to provide recognition to greater numbers of youth who may all be making significant progress in their projects. The Danish system is considered by National 4-H Policy to be a competitive form of judging and is therefore not to be used for 4-H members under the 4-H age of 9.

In Maine 4-H, ribbons traditionally awarded by the Danish system are:

- Blue - for excellence, exceeding the standards
- Red - for good work that meets the expected standard
- White - for work that falls below the expected standard

In Maine we have not created written standards. Therefore, the standards used in livestock shows are the generally accepted standards for good fitting and showmanship and for animal quality.

Evaluation of Cloverbud Activities

Cloverbuds, 4-H members ages 5 through 8 (4-H age as of December 31, 2017), are not ranked or judged competitively. Cloverbud members will receive identical forms of recognition of participation for work exhibited in exhibition halls or for participation in non-competitive animal demonstrations, skill-a-thons, clinics, or other educational events. Although Cloverbud exhibits or demonstrations are not ranked or scored, it is important for the children to receive feedback on their work. They may participate in a “show and tell” activity about their exhibit or receive written or oral feedback that includes positive encouragement and constructive suggestions for growth for their exhibits or animal activities.

UNION FAIR 4-H PASSES

Specific information regarding passes to the Union Fair will be available soon. Check your email, the K-L 4-H newsletter and the Cooperative Extension website for updated information later in July.

So that you receive the pass that you need, call or email this office by **July 31** to let us know what days you will be showing and/or volunteering at the fair (pamela.doherty@maine.edu, 832-0343). Volunteer opportunities include taking shifts in the Exhibition Yurt or Farm-to-Fair attraction, photographing 4-H shows and events, presenting an interactive demonstration or activity, scribing at an animal show, helping with clean-up after the fair, etc.

4-H CLOVERBUD POLICY

The following information was compiled with excerpts from the Maine 4-H Cloverbud Policy. Information has been added that is specific to the 2018 Union Fair as determined by the Knox-Lincoln 4-H Leaders' Association. Complete information regarding the Cloverbud Policy, is available at <http://umaine.edu/4h/volunteers/resources/policies-procedure-and-guidelines/table-of-contents/4-h-cloverbud-policies-c-3/>.

What is a Cloverbud?

The term Cloverbud is used to identify 4-H members who are 5 through 8 years old. Any Maine youth between the 4-H ages of 5 and 8 years old may join the 4-H program. 4-H age is the age of the member on December 31, 2017. Children in this age group are a distinct audience for 4-H with developmental and learning characteristics that are different from older members. Participation, safety, personal development, learning, and fun in a cooperative, non-competitive setting are the priorities of the Cloverbud program. Cloverbuds should experience programs that are developmentally appropriate, activity-oriented, involve cooperative learning and are focused on learning activity skills and life skills through a wide variety of topic areas.

Cloverbuds and Fairs

- While Cloverbuds may not participate as competitive exhibitors in any 4-H events, they are encouraged to participate in fairs and other county events in other ways.
- Cloverbuds are encouraged to exhibit their activities in 4-H Exhibition Halls. As exhibitors, they should receive a standard participation ribbon or other small token as designed or chosen by each county/fair. Cloverbuds may not

receive premiums. However, a small honorarium may be paid to the club or the member in an amount to be determined by each county/fair.

- Although Cloverbud exhibits are not ranked or scored, it is important for the children to receive feedback on their exhibits. They may participate in a “show and tell” activity about their exhibit or receive written feedback that includes positive encouragement and constructive suggestions for growth. (A fact sheet “Cloverbuds and Fair Participation” will be available.)
- Each county/fair may determine how Cloverbud exhibits will be displayed, either in a separate area, within each club’s area, etc.
- Cloverbuds may not show any animals competitively in 4-H classes at Maine fairs or other 4-H events.
 - 8 year old members may participate in a non-competitive demonstration show with one-on-one supervision with a rabbit, dog or other small domestic animal, poultry, kid goat or non-market, lamb, piglet, or small calf. (Volunteers should ensure that the calf is small enough to be handled safely and controlled by the adult or older youth.)
 - 5 through 7 year olds may participate in a clinic, skill-a-thon or other educational activity with one-on-one adult supervision with adults or older teens with at least 3 years experience maintaining primary control of the animal. This activity may occur in a show ring or other public area that is small enough to allow for good control of the animals being used.
 - Cloverbuds may receive standard participation ribbons or other identical tokens for participation in these events as determined by each county/fair. Premiums are not permitted. A small honorarium in an amount to be determined by each county/fair may be provided to the club or the member in an amount to be determined by each county/fair, but this should not be comparable to premiums received by older youth showing in competitive 4-H shows.

Any Maine Agricultural Fair age participation rules more restrictive than those of this policy, take precedence.

4-H CHARACTER AWARD

During the Union Fair, a few outstanding 4-Hers may be chosen to receive the 4-H Character Award. This honor may be awarded to a 4-Her who carries out his or her project and who treats other 4-H members, fair colleagues, spectators and their animals (when applicable) according to the six pillars of character.

Nominations for the 4-H Character Award, may be submitted to Knox-Lincoln Extension Office, 377 Manktown Road, Waldoboro, ME 04572 or via email at cynthia.rogers@maine.edu. Nomination cards will also be available at the Union Fair. Look for the 4-H Character Award Display in the 4-H Exhibition Yurt. All 2018 nominations must be received by September 30, 2018.

The Six Pillars of Character

1. Responsibility

- Recognizes that any project gives the 4-Her an opportunity for personal growth and development.
- Is accountable for on-time paperwork.
- For animal projects, feeds animals on time and provides clean, fresh water at all times; follows recommended procedures for fitting and grooming.

2. Trustworthiness

- Never gives up.
- Submits accurate and truthful information.

3. Respect

- Is helpful and thoughtful toward other exhibitors and fair-goers.

4. Caring

- Teaches and assists younger 4-H members.
- For animal projects, handles and treats animals properly and humanely; as authorized by a veterinary professional, uses only approved drugs in accordance with directions for use on the label.

5. Fairness

- Accepts winning and losing with grace.

6. Citizenship

- Demonstrates and maintains a high standard of personal behavior and conduct.

4-H INDIVIDUAL EXHIBITION RULES

1. Entries are open to all enrolled 4-H members aged 9 to 18 (4-H age) in Knox, Lincoln and Waldo Counties. 4-H members aged 5 to 8 (4-H age) are considered Cloverbuds. 4-H Cloverbuds in Knox, Lincoln and Waldo Counties may submit entries for non-competitive display to the exhibition hall if they are currently enrolled in 4-H. See the General Information portion of our booklet for more about our Cloverbud policy.
2. 4-Hers may exhibit only those items that are produced and/or prepared by him/her during the current 4-H year. NO KITS will be accepted, except in “models”, “rocketry” and “sewing & needlecraft” project areas. By a “KIT”, we mean articles made of pre-cut or pre-formed pieces that are only assembled by the 4-Her.
3. Members may enter up to 12 exhibits with a maximum of 4 entries in any project area (e.g. Plant Science & Crops – enter three different types of vegetables; Sewing & Needlecrafts – one apron, one pillow, one drawstring bag).
4. Completed exhibition hall entry forms should be sent to UMaine Extension, Knox-Lincoln Office, 377 Manktown Road, Waldoboro ME 04572 and be **postmarked by Monday, July 31, 2018**. Contact Pamela Doherty at the Knox-Lincoln Extension office for assistance or extra forms at 1-800-244-2104 or pamela.doherty@maine.edu.
5. Each entry must have a completed **4-H Exhibit/Judging Card** and **Life Skills Card** securely attached to it and should be obtained from the Extension office **before the fair**. Attach the card with string only (no tape please). The cards must be filled out neatly by the 4-H member ***before** entering the item for competition.
Notice to Leader or Parent: Any special circumstances, such as a learning or physical disability, should be noted by an explanation attached to the Exhibit Card.
6. Exhibits must conform to entry requirements. The fair will afford the best protection possible for project exhibits. However, UMaine Extension and the Union Fair distinctly disclaim any liability for loss or damage to exhibits. There is no security.
7. ***Poster and artwork sizes cannot exceed 24” x 36” due to space limitations. No 3-panel displays accepted. Artwork and photography items must have hanging hardware securely attached. Makeshift hangers, such as string attached with tape, do not work well.**
8. Exhibits will be accepted on **Thursday, August 16th between 5 pm and 7 pm OR Friday, August 17th between 4 pm and 7 pm ONLY**. Entries will not be accepted for judging at any other time. Items not submitted during this time period will not be considered for premiums or Cloverbud honorariums.
9. Judging will be done on the “Danish System”. Each worthy exhibit will be awarded a ribbon and premium based on how well it displays the appropriate skills for a member’s age and skill level, with the exception of Cloverbuds. Cloverbuds will receive a participation ribbon and honorarium for every item they exhibit in the Exhibition Hall. Cloverbuds will not be included in the judging process. No premiums will be awarded to 4-H members in this age group. Keep in mind that quality is being judged, not quantity.
10. Exhibits must be taken from the 4-H Yurt between the hours of **2 pm - 6 pm on Saturday, August 25th**.

Awards and Premiums for individual exhibits will be paid as follows:

Blue Ribbon/First Place - \$5.00 – awarded to those projects which meet or exceed the product standards for the age and development of the 4-H member; the work is of high quality.

Red Ribbon/Second Place - \$4.00 – awarded to those projects which meet minimum product standards and exhibit requirements; overall work is of average quality.

White Ribbon/Third Place - \$3.00 – awarded to those projects which are deficient in meeting product standards, exhibit requirements and/or the product is incomplete.

Special Judge’s Ribbons will be awarded to recognize a unique or outstanding project which exemplifies an unusually high degree of creativity, care, time or research by the 4-Her.

4-H Cloverbud Exhibits will all receive a participation ribbon and a \$3.00 honorarium.

Life Skills Cards & Judging Cards for Exhibition Hall items are available at the office. Below is a scan of the life skills card. Completed cards must be attached to your project at the time of check in.

PROJECT AREAS FOR INDIVIDUAL 4-H EXHIBITS

No 3-panel displays accepted.

***Poster, photography & artwork sizes cannot exceed 24" x 36" due to space limitations.**

Artwork, photography items etc., that need to be hung, must have hanging hardware securely attached.

Makeshift hangers, such as string attached with tape, do not work well.

Class A - Animal Care

- Lot 1 - Any item made about an animal (e.g. photo story)*
- Lot 2 - Any item made for an animal (e.g. tack box)
- Lot 3 - Any animal product (e.g. 6 clean eggs or a sheepskin vest)

Class B - Aquatic Life

- Lot 1 - Any labeled poster or display concerning aquatic life.*

Class C - Art & Sculpture

- Lot 1 - Any original drawing or painting, suitable for hanging, any medium. Must be framed or matted properly on poster board appropriately sized for the work* **(Items must have hanging hardware attached)**
- Lot 2 - Any original sculpture

Class D - Basketry

- Lot 1 - Any container or object made from interwoven flexible fibers such as grasses, twigs, rushes or similar materials

Class E - Bicycle & Recreational Vehicle Safety

- Lot 1 - Any item made by the member or four regular size photos or drawings properly mounted and labeled, which tells a story about safety when participating in these activities*

Class F - Ceramics & Pottery

- Lot 1 - Any ceramic piece painted, glazed or unglazed
- Lot 2 - Any clay pottery piece - freeform, coiled or thrown; glazed or unglazed

Class G - Citizenship & Community Service

- Lot 1 - A poster or display that illustrates a project in citizenship, community service or leadership*

Class H - Computer Science

- Lot 1 - A computer program developed, written and printed out by the 4-Her, with instructions for use described*
- Lot 2 - Digital art appropriately framed or matted*
- Lot 3 - A 3-D printed object
- Lot 4 - A poster or display illustrating something the member learned related to computers (hardware, software coding, web design, etc.)*

Class I - Conservation, Ecology & Natural Resources

- Lot 1 - Mounted drawings or photos that tell a story illustrating conservation or ecological issues*
- Lot 2 - A labeled display or model showing conservation practices (e.g. recycling project, logging, water quality)*
- Lot 3 - Item made from something found in nature (e.g. log made into a birdhouse or bench)

Class J - Crafts

- Lot 1 - Candle/Soap making
- Lot 2 - Painting/Tole Painting
- Lot 3 - Glass Etching
- Lot 4 - Paper Mache
- Lot 5 - Sand Art
- Lot 6 - Other craft approved by your leader/advisor

Class K - Electrical

- Lot 1 - A display of an electrical circuit or a display illustrating how a circuit works.
- Lot 2 - A product, such as a lamp, built and properly wired by the member.

Class L - Engineering

- Lot 3 - A poster or display explaining how an existing process or product works.*
- Lot 4 - A poster or display illustrating a plan for a new process or product (or an improvement on an existing one) created by the member.*
- Lot 5 - A new product prototype (or an improvement on an existing product) built by the member or team of members. Include an explanation of the problem-solving process to create it.

Class M - Entomology

- Lot 1 - A poster or display of what has been done in an Entomology project over the current 4-H year (e.g. butterfly garden, bird diets)*
- Lot 2 - Specimen exhibit neatly mounted in a case protected by a see-through cover and labeled with specimen's name, date and location collected

- *Beginner*: Minimum of 15 different mounted species labeled with common names
- *Intermediate*: Minimum of 25 different species from at least 5 different orders listed with common names
- *Advanced*: Minimum of 35 different species in at least 5 different orders listed with common and scientific names
- *Master*: Minimum of 45 different species in at least 7 orders with common and scientific names

Class N - Fiber Arts

- Lot 1 - Crocheted item
- Lot 2 - Knitted item
- Lot 3 - Macramé
- Lot 4 - Rug
- Lot 5 - Weaving
- Lot 6 - Spinning
- Lot 7 - Felted item

Class O - Flower Arrangements

- Lot 1 - Fresh flower arrangement displayed in a vase
- Lot 2 - Dried flower arrangement in an appropriate container

Class P - Food - (Perishable food items will be removed from the hall after judging. A photo will be taken of the items to display during the fair.) No refrigeration is available in the yurt. Plan your entry accordingly.

- Lot 1 - **Specific Food Item** – Any food item such as bread, bars or cookies made by the 4-H member. A recipe card (3x5 inches) must be included. Small food items should be displayed in threes.
- Lot 2 - **Table Setting and Menu Planning** – will be judged on menu and setting
 - *Beginner* – A place setting for one person (24x24 inch cover). Setting must include: table covering, silverware, plates and cups, etc. The menu should be written on a 5x7-inch piece of paper. Table setting must be compatible with the menu. Judging will focus on the menu, which should be nutritionally balanced.
 - *Advanced* – Meal Management: Same rules as table setting applies. Add time management for meal preparation (What time does chicken need to be started to be cooked in time for meal?). Recipes written on 3x5 inch cards for all food items should be included.

Please do not bring valuable items due to no security.

Class Q - Food Preservation (program year on tag) Note: Low acid foods must be pressure canned.

- Lot 1 - **Canned:**
 - *Beginner* – 1 jar of either vegetable, fruit, jam, jelly, pickles, or preserves
 - *Intermediate* – 3 jars, each different produce
 - *Advanced* – 5 jars, each different produce
- Lot 2 - **Dried:**
 - *Beginner* – 1 sample of dried fruit, vegetable or meat (can be smoked)
 - *Intermediate* – 3 samples of dried food
 - *Advanced* – 5 samples of dried food

Class R - Forestry & Forest Conservation

- Lot 1 - Six (6) mounted photographs of forestry practice*
- Lot 2 - A collection relating to forestry or forest conservation
 - *Beginner*: Collection of leaves, needles or twigs of at least 10 different species, labeled with common names
 - *Intermediate*: Collection of 10 seeds of tree species labeled with common names
 - *Advanced*: Collection of 4 disease, insect or animal damaged specimens
- Lot 3 - Display of some phase of industrial forestry*

Class S - Games & Toys

- Lot 1 - A safe toy made by the 4-H member
- Lot 2 - An age appropriate game made by the 4-H member. A note card should be attached including the age group for whom the toy or game is made, plus an explanation of how the item is to be used*

Class T - Geospatial/GIS/GPS

- Lot 1 - A poster, journal or illustration describing your geocaching or GPS adventure*
- Lot 2 - A map, report or chart created using GIS technology*

Class U - Health & Nutrition

- Lot 1 - A display about health issues, such as nutrition, benefits of exercise, emotional health, sports health, etc.*

Class V - Jewelry

- Lot 1 - Any pin, ring, bracelet, necklace, earrings or hair accessory made by the 4-H member

Class W - Metal Working

- Lot 1 - Any object made primarily from metal using a process such as metal machining, welding, forging, etc.

Class X - Models

- Lot 1 - Articles made by a member showing appropriate skills for the member's age and number of years in the project

Class Y - Photography/Video & Film

- Lot 1 - Photo: Entry may be black and white or color. Single photo of high quality, illustrating techniques of photography (rule of thirds, good lighting, special effects, etc.) sized up to 8x10 inch print or panorama. Photos must be mounted, matted or framed.*
- Lot 2 - Video/Film: An original animated or live-action short film or documentary. Film may be submitted for judging loaded on a DVD or portable thumb drive using software that is viewable in Microsoft Media Player (pc) or iMovie (Mac). Equipment for showing the video will be provided at the yurt.

All photos must be framed or mounted on mat or poster board and ready to hang (must have hanging hardware attached). **The matting should complement the photo and be prepared by the 4-H member.**

Class Z - Plant Science & Crops - (*Very perishable fruits & vegetables will be removed from the hall after judging. A photo will be taken of the items to display during the fair.*)

- Lot 1 - Displays of specific vegetables, crops or fruits:
 - Berries or grains – 1 pint
 - Small vine crops such as beans or peas (10 specimens)
 - Large vine crops (cucumbers, pumpkins or squash (1 specimen)
 - Root crops such as potatoes or carrots (3 specimens)
 - Vegetables grown in heads such as broccoli or cabbage (1 specimen)
 - Other vegetables such as corn, tomatoes, or peppers (3 specimens)
 - Forage crops
- Lot 2 - Flower Gardening and House plants
 - Garden flowers
 - Potted house plants
 - Potted herbs **Intermediate and Advanced Gardeners should write the variety on the card*
- Lot 3 - A poster or display about plant science or farming. *

Class ZA - Reuse, Repurpose, Recycle

- Lot 1 - An object created using mainly items that have had a previous purpose (e.g. a shelf made from old barn boards, a handbag from a feed bag)
- Lot 2 - A restored object, such as a small piece of furniture that has been repaired and/or refinished.

Class ZB - Rocketry

- Lot 1 - A model rocket or rocket design demonstrating operation, safety considerations, ignition or fuel systems
- Lot 2 - A space or airplane model

Class ZC - Sewing & Needlecrafts - (*Articles of clothing should be brought with a hanger for display.*)

- Lot 1 - Any item sewn or quilted completely by the 4-H member
- Lot 2 - Any item embellished with embroidery, cross stitch, crewel or other needlecraft

Class ZD - Veterinary Science

- Lot 1 - A labeled poster or display illustrating the parts of an animal, normal vital signs, diseases, poisonous plants, genetics and/or nutrition*

Class ZE - Wildlife

- Lot 1 - A display of 6 labeled sketches or photos of wildlife that you studied*
- Lot 2 - Casts of tracks you made
- Lot 3 - Items made for wildlife use (e.g. birdhouses or feeders)
- Lot 4 - A display of collected items, labeled*

Class ZF - Woodworking

- Lot 1 - Project built from wood • Lot 2 - Carved project • Lot 3 - Woodburning project • Lot 4 - Detailed woodworking plan*

Class ZG - Writing Sampler

- Lot 1 - Poetry • Lot 2 - Journal • Lot 3 - Short Story • Lot 4 - Illustrated Story* • Lot 5 -Script for theatrical production (play, film)

Class ZH - Creativity Unlimited

- Lot 1 - Exhibit made entirely by 4-Her during the current 4-H year that is not covered under another project category in these rules. The project must have the approval of 4-H staff at Knox-Lincoln UMaine Extension.

***Poster, photography & artwork sizes cannot exceed 24" x 36" due to space limitations.**

No 3-panel displays accepted.

Artwork, photography items etc., that need to be hung, must have hanging hardware securely attached. Makeshift hangers, such as string attached with tape, do not work well.

2018 4-H EXHIBITION HALL (YURT) UNION FAIR ENTRY FORM

Completed Entry Forms must be received in the office by **July 31, 2018**. Entries may be dropped off or mailed to:
UMaine Extension, Knox-Lincoln Office, 377 Manktown Rd., Waldoboro, ME 04572

Entries will be accepted at the 4-H Yurt on the Fairgrounds **Thurs. Aug. 16th** from **5-7pm** or **Fri. Aug. 17th** from **4-7pm**. Entries are open to all 4-H members aged 9-18 (age as of Dec. 31, 2017) in *Knox, Lincoln or Waldo Counties* who are currently enrolled in an approved 4-H Project. Please complete the entry form completely with specific **Project Class/Area** (e.g. Class J - Crafts), **Years in Project Area** (e.g. How many years in crafts?), **Lot #** and **Item Description** (e.g. Lot 1 – Goat’s milk soap) and **Level** (Beginner, Intermediate, or Advanced).

Cloverbuds: 4-H members ages 5-8 (age as of Dec. 31, 2017) may submit entries on this form, for non-competitive display to the exhibition hall. (See individual Exhibit Rules for more information on Cloverbud participation)

Up to 12 entries can be submitted with a maximum of 4 in each Project Area.

4-H GENERAL LIVESTOCK AND OTHER ANIMAL RULES

(Rules change each year, so please read carefully)

In order to participate in the fair, health regulations of the State of Maine must be met by all animals. Please refer to the Union Fair Premium Book for details.

The following rules apply to all 4-H animal shows and non-competitive Animal Demonstrations (i.e. Cloverbud Demonstrations). Also see specific rules relating to the show or demonstration in which you are participating.

1. **All entrants must submit a 4-H Working Steer, Horse or Small Domestic Animal & Pet entry form along with a copy of proof of livestock insurance**, to UMaine Extension, Knox-Lincoln County Office at 377 Manktown Road, Waldoboro, ME 04572, **by July 31, 2018**. Contact Pamela Doherty at the Knox-Lincoln Extension office for assistance or extra forms at 1-800-244-2104 or pamela.doherty@maine.edu. Entrants will be accepted on first come, first serve basis as space permits.
2. To participate, entrants are expected to provide the following papers at check-in before the show:
 - **Approval Form for 4-H Animal Show** - This may be obtained from your Extension office or online <http://extension.umaine.edu/4h/forms>. The form submitted must be a double-sided, embossed official copy. **NOTE: Rabbits, poultry and small pets (except dogs) will no longer need to be listed on animal approval forms.** Members must follow all fair rules concerning the number of animals permitted in shows and will be required to present to fair officials any licenses, registration papers, or certificates of health required by fairs or the state of Maine.
 - **Registration papers** (if animal is registered)
 - **Lease Papers** (if animal is leased)
 - **Health Records** (if available and as required where indicated)
 - **Proof of Livestock Insurance** (send a copy with your entry) **NOTE:** Per the Maine Association of Livestock Exhibitors: "When a 4-H'er leases an animal; both the person leasing the animal and the owner of the animal should belong to the ME Association of Livestock Exhibitors or have proof of other liability insurance. If anything happens and there is a claim, most likely the person in control (4-H'er) and the owner will be liable. This is something you may want to pass along as when fairs ask for proof of insurance, usually only the person showing the animal shows proof. However, is advisable for the owner to be aware that they also should have coverage."
3. "4-H Age" is defined as the age of the 4-H member as of December 31st of the current 4-H year (October - September). All ages listed below and listed in individual 4-H livestock show rules are 4-H ages:
 - 4-H exhibitors must be 4-H age 9 to 18 in order to show in any 4-H animal show.
 - No intact males may be shown with the exception of ram lambs and rabbits. Collars and/or halters are required. A lead line is permitted in the show ring.
4. 4-H youth are responsible for fitting their animals. Adults should not prepare member's animals for showing.
5. 4-H members are allowed to assist other member's animals when an exhibitor is showing more than one animal in a class, or with 4-H novice exhibitors. Assistants must be at least 9 years old as of December 31st of the current 4-H year (October - September). Adults (other than judge and scribe) should refrain from entering the ring during the livestock shows.
6. Leased animals will be permitted in the 4-H shows.
 - There may be only one 4-H member per leased animal with the exception of horse, for which two members are permitted to lease the same horse. Up to two members who are not in the same family are permitted to lease the same horse or more than two family members if they reside in the same household.
 - No more than 20 animals of each type may be leased by one 4-H'er. All leased animals should be listed on the lease form and the animal approval form.
 - 4-H members must fit the animal that they show.
 - It is expected that a 4-H member with a leased animal project will assist with the care, maintenance, and training of that animal. Documentation of this commitment should be noted in the youth's 4-H Project Record.
7. All animals must be under the control of the 4-H member (or, for Cloverbud demonstrations, an adult/experienced teen member) at all times. Use of a halter, collar, or lead line is acceptable for large animals. Poultry, rabbits and other small domestic animals must be in appropriate carriers.

8. Health regulations of the State of Maine must be met by all animals; see Open Show Livestock Rules in the Union Fair Premium book.
9. *From the Maine State 4-H Office:* 4-Hers attending 4-H horse events in 2018 must provide proof of current, annual vaccination for rabies as well as a current Coggins test done by a veterinarian. EVH-1 and Equine Influenza are also required, horse owners may, however administer their own EVH-1 and Equine Influenza inoculations and a sales receipt will be sufficient evidence for proof of vaccination. EVH-1 and Equine Influenza are considered effective for six months. Plan the timing of your inoculations with your last event in mind. It is recommended that your horse is current on EEE in consultation with your local practicing veterinarian.
10. Exhibitors should be neatly dressed in solid colored pants and white shirts or blouses. Horse entrants should dress according to their show standards.
11. **Exhibitors must participate in the Fitting & Showmanship class to be eligible for premiums in other classes.**
12. All placements are based on the Danish System of Judging. Equal honorariums will be awarded for Cloverbud demonstrations.

***Please refer to the Maine 4-H Policies, Procedures & Guidelines @
<http://umaine.edu/4h/volunteers/resources/policies-procedure-and-guidelines/>
 for complete details.**

EXPECTATIONS OF 4-H ANIMAL SHOW PARTICIPANTS

In keeping with the goals of learning life and project skills and exercising good character, 4-H members in any animal project are expected to follow these guidelines:

- The member must have worked with the animal enough to minimize disruption in the show ring. The member must be able to safely control his or her animal at all times.
- Members will treat their animals humanely and meet their needs for food, water, and shelter.
- The member is expected to have or be developing the knowledge and skills to fit the animal.
- The member is expected to personally fit their animals for each show entered. No adults are allowed to fit or care for the animals after arrival on the grounds.
- Members raising market animals must document all medications and adhere to all label and withdrawal time requirements.
- Members are expected to follow all requirements for dates of possession and completion of lease and animal approval forms.
- Proof of Rabies and other required animal vaccinations and/or testing must be dated appropriately (see the General Livestock Rules) prior to the livestock show or Cloverbud demonstration.
- Members will be respectful at all times.
- Members, volunteers, and parents must exhibit good sportsmanship at all times.

4-H HORSE SHOW

Wednesday, August 22, 2018 - 9:00 am

1. Entries are open to all 4-H members, 4-H ages 9-18, in the State of Maine who are enrolled in a 4-H Horse Project. See 4-H General Livestock and Other Rules for additional requirements.
 2. A negative Coggins Test dated 8/24/15 or later, Rabies Test, EHV-1 and Equine Influenza Vaccinations, Animal Approval & Lease Forms and copy of proof of livestock insurance must be mailed with the entry form. You will be required to provide all of these papers at check-in before the show.

4-H CLOVERBUD DEMONSTRATIONS

Saturday, August 25, 2018 – 1:00 pm

Cloverbud 4-H members (4-H age 5-8 years) may participate in a non-competitive **animal or non-animal** “demonstration show” in the Livestock Show Ring.

1. Entries are open to all 4-H members, 4-H ages 5-8, in the State of Maine. See 4-H General Livestock and Other Rules for additional requirements.
2. Participants must check in at 11:30 am on the day of the show. Participants with animals must supply their own cage, carrier or halter.
3. Please do not bring a rabbit if it has a runny nose.
4. Exhibitors should be able to answer the judge’s questions regarding the general care and health of the animal.
5. Cats and dogs must have proof of vaccination for rabies. Any other state and local license requirements must be met. Rabies vaccination is NOT required for Rabbits. Poultry must have been pullorum tested.

Animal Demonstrations: Cloverbud animal demonstrations may be done with a rabbit, dog, poultry, kid goat, non-market lamb, piglet, or small calf. One-on-one supervision by an adult or older teen with at least 3 years experience maintaining primary control of the animal is required. Older 4-H members or adults will interview the younger children while they are demonstrating.

All animal and non-animal demonstrations must be approved by 4-H staff prior to the fair. Please contact the Extension Office to sign up for demonstrations by August 5, 2018. Children who participate in a Cloverbud demonstration will receive a participant ribbon along with a \$5.00 honorarium.

4-H ANIMAL SHOW ENTRY FORM INSTRUCTIONS

- Please print legibly and clearly.
- Make sure your mailing address is complete. Premium checks cannot be sent to you otherwise.
- Remember to bring all appropriate papers for your animals (i.e. Coggins, Rabies, Pullorum, etc.) and embossed copies of your animal approval and lease forms. These papers and proof of livestock insurance need to be available for possible Fair and State inspection at any Maine 4-H show you may participate in. These should be part of your animal’s project record.
- From the Maine State 4-H Office: 4-Hers attending 4-H horse events in 2018 must provide proof of current, annual vaccination for rabies as well as a current Coggins test done by a veterinarian. EVH-1 and Equine Influenza are also required, horse owners may however administer their own EVH-1 and Equine Influenza inoculations and a sales receipt will be sufficient evidence for proof of vaccination. EVH-1 and Equine Influenza are considered effective for six months. Plan the timing of your inoculations with your last event in mind. It is recommended that your horse is current on EEE in consultation with your local practicing veterinarian.
- **Rabbits, poultry and small pets (except for dogs) will no longer need to be listed on an animal approval forms.** Members must follow all fair rules and will be required to present to fair officials any licenses, registration papers or certificates of health required by fairs or the State of Maine.
