Judges: Unannounced Team
Register by Sunday, July 30 before 10 AM at the Livestock Office
Representative: Sheila Norman

Note that the registration is earlier this year than in the past.

One of the primary missions of any agricultural fair is to educate the general public as to the mission and contributions of the family farm in today's world. Agriculture plays a vital role in insuring the quality of life Americans have come to expect. The Bangor State Fair is committed to being a leader in raising public awareness of the contributions that farmers make. We want everyone to be aware of the sacrifices, hard work, and the rewards that go hand in hand with preserving a way of life that we as a society cannot afford to lose.

To this end, the fair has instituted a series of premium payments that we hope will encourage you, our exhibitors, to share your wealth of knowledge and experience that is part of your day to day life with the fair going public.

RULES AND REGULATIONS

1. In order to receive premiums, all exhibitors must register by **Sunday, July 30, 2017 before 10AM** at the Livestock Office, if they intend to participate in the Education Exhibits Awards Competition.

2. All exhibits must be on display when the gates open daily from **Sunday, July 30 through Thursday August 3, 2017**.

3. Premiums will be paid in three categories: 4-H Individuals, 4-H Clubs, and Open. 4-H members can display an exhibit as a 4-H Individual, or in the Open class, but not both.

4. Educational exhibits can include, but are not limited to: charts, graphs, photos, videos, static displays, models, demonstrations, public participation, etc. Let your imagination be your guide!

5. Exhibits should endeavor to tell the story of the particular breed or breeds that are being shown. Any facts, no matter how insignificant they seem to you, will help in educating the public. Charts or graphs that show milk production, butter fat content, meat production, amount of feed or water consumed daily and or annually, etc., go a long way to involving the public in what you do. Remember, you are working with an audience that may not be aware of modern agriculture and husbandry, and will welcome all the facts, pictures or demonstrations you can offer.

6. Any individual breeder, farm, or any organization representing a particular breed, farmers’ co-op, etc. that exhibits at Bangor State Fair in 2017, is eligible for premium payments and all are encouraged to enter an exhibit.

7. Judging will take into consideration the factual content of displays, the availability of knowledgeable personnel to answer questions and the visual appeal of the display. The decision of the judges will be final. Judges are not obligated to award a premium if an entry is deemed to be of insufficient quality and substance.

8. Exhibits and livestock should not be left unattended. For safety reasons, exhibitors must stay with their livestock when there is no showing taking place.

9. **All displays and demonstrations will be located in or immediately around the livestock barns and must be designed to withstand weather, etc.** To be eligible for a premium, exhibits and animals must be displayed at least from Sunday, July 30, thru Thursday, August 3, 2017. Judging will occur at random, unannounced times from July 30 thru Aug. 3. A First Place Award must score 90 points or better to be awarded.
Exhibits shall be scored as follows:
