

4-H ACHIEVEMENT CHECKLIST

(4-H'er completes this page, including at least a sentence for each item)

Name _____ Project _____

Club _____ Year _____

_____ I completed a project record

_____ I attended 4-H meetings on this project

_____ I did independent study or research about this project

_____ I taught or helped someone with this project

_____ I entered this project in the fair

_____ I did a public presentation (demonstration or performance) of this project

_____ I participated in a community service activity related to this project

_____ I participated in a competition in this project

_____ I designed or created an original project

_____ I planned or led a meeting, activity or field trip related to this project

_____ Other (explain)

Check each item that applies to your project. A completed project record is required. At least three *other* items must be accomplished to qualify for achievement recognition. Attach this checklist to your project record and submit it to the Extension Office by September 19. **Write a couple of sentences explaining how you accomplished each item you checked. If this is not done, no award will be given.** (You may write these under each item, or you may include them on an additional sheet of paper. Be specific. We want to know how you accomplished each item.)
