

**EMPLOYER INFORMATION EXCHANGE**       Not provided     Not required       Interview     Inspector observation

Y  N  NA  Does the commercial applicator make information available prior to application? (33)  
Y  N  NA  Is commercial applicator information posted at the central location? (23-24, 41-44)  
Y  N  NA  Is it posted prior to application? (24)  
Y  N  NA  Is commercial applicator told locations of treated areas and REIs on this property? (34)

**EMERGENCY ASSISTANCE**       Not provided       Interview     Inspector observation

To whom would employees report sickness from pesticides? \_\_\_\_\_  
Would transportation to a medical facility be provided? \_\_\_\_\_  
How would pesticide information be provided to medical personnel? \_\_\_\_\_

**WORKER EMPLOYEES**       No workers       Interview     Inspector observation

Y  N  Are workers prohibited from entering treated areas during applications and until REIs have expired? (45-47)  
Y  N  Are there early-entry workers (during REI) that do tasks lasting less than 1 hour and do not involve hand labor? (59-69)  
    Y  N  Are they prohibited in treated areas during the first 4 hours after an application? (59)  
    Y  N  Are they trained about the special hazards and precautions of early-entry? (65)  
Y  N  NA  Are workers given both oral and posted notice if required by the label? (41)  
Y  N  NA  Are non-greenhouse workers notified that will walk within ¼ mile of treated areas during treatment or REI?(41-44)  
     Orally    Y  N  Are warnings given before application or at the beginning of the first work period? (44)  
                  Y  N  Are the warnings given in the worker's language? (44)  
                  Y  N  Include 1) location and description of treated area, 2) REI and 3) instructions not to enter? (44)  
     Posting    Y  N  Are signs in a WPS approved format? (43, 102)  
                  Y  N  Is posting at all worker entrances to treated areas? (42-43)  
                  Y  N  Are signs up 24 hours or less before application and down within 3 days after REI? (43)  
Y  N  NA  Are workers prohibited in greenhouses during application and until ventilation is met? (53-55)  
Y  N  NA  Are all greenhouse applications posted (unless no worker is present until REI expires)? (41-42)  
Y  N  NA  Are workers prohibited from treated areas, plus additional buffer, during applications in nurseries? (51-52)

**HANDLER EMPLOYEES**       Family handlers       Interview     Inspector observation

Y  N  NA  Is pesticide applied so none contacts anyone other than trained and PPE-equipped handlers? (73)  
Y  N  NA  Are handlers applying *skull & crossbones* pesticides monitored visually or by voice every 2 hours? (73)  
Y  N  NA  Does a greenhouse fumigant handler have continuous contact with another PPE-equipped handler? (73)  
Y  N  NA  Are handlers instructed, in their language, about labeling instructions for safe use? (75-76)  
Y  N  NA  Do handlers have access to the label during handling tasks? (75)  
Y  N  NA  Do only trained and PPE-equipped handlers repair, clean or adjust pesticide contaminated equipment? (77)

**PPE PROCEDURES**       Not applicable       Interview     Inspector observation

Who is responsible for PPE instruction and compliance? \_\_\_\_\_  
Y  N  NA  Is PPE provided according to label requirements, for both handlers and early-entry workers? (69-70, 77-87)  
Y  N  NA  Do employees always wear it? If not, why? \_\_\_\_\_  
Y  N  NA  Is PPE inspected, cleaned and repaired or replaced before each day of use? (69-70, 77-81) By who? \_\_\_\_\_  
Y  N  NA  Is PPE stored properly? (69-70, 80)  
Y  N  NA  Is there a clean place to wash, store personal clothing, put on PPE and remove it after use? (31, 68-70, 80-81)

Pesticide Inspector's Signature \_\_\_\_\_ Date \_\_\_\_\_
