

Choose an object.

You may touch it. Use a hand lens. Smell it. Feel it.

Answer the following on your paper:

What does it remind you of?

What do you wonder about it?

Sketch it. Make notes on your sketch, size, texture, color,
questions you have.

Why are there little bubbles?

What kind of mushroom is it?

it reminds me of the mushroom you can draw on and it will preserve it.

it is $3\frac{1}{4}$ in.

it is $6\frac{1}{2}$ cm.
