

2020 INDEPENDENT POULTRY TESTERS

Please allow adequate time to schedule a visit by a poultry tester before your event or expiration of your flock's NPIP certification. CONTACT YOUR TESTER EARLY. This service is provided in partnership with ME DACF Animal Health and is not the full-time commitment of any of the certified testers listed here. If you need assistance scheduling a farm visit with one of our testers, please call the DACF main office number: **207 287 3701**

***PLEASE NOTE:** The individuals listed below are State certified Independent NPIP Testers. This means that each tester manages their own schedule and fees. Testing fees are often based on the distance a tester will need to travel to your farm and how long they need to spend at the farm. Please discuss with your tester beforehand what you will need to prepare for their arrival to minimize service time and fees.*
