Youth Interest Survey

To help us plan for 4-H experiences in your community, we need your ideas.

4-H is a national positive youth development program that engages kids learning about interesting things in fun and exciting ways. It also gives youth the opportunity to make friends and learn to work with others.

This section is for kids and teens to complete.

Parent/Adult involvement is vital in helping youth through their growth and development. Our Maine 4-H Program encourages you to become involved in positive youth development community programs. Here are some ways you can support youth programs in your community.

I will help in the following ways. Please check things you are willing to do.

☐ Transport my child/teen to meeting
☐ Provide light refreshments for a meeting
☐ Provide support to site leader and assistant
☐ Arrange a special field trip or activity
☐ Help telephone parent/youth’s adult with announcements
☐ Share a special interest or hobby I enjoy with a small group (See Community Adult Interest Finder handout for suggestions).
