Anticipated University / College/Technical Schools Applying

**Please return application with a 500 - 1000-word essay by April 15<sup>th</sup>**

**Essay must be typed and double-spaced, discussing any or all of the following:**

- What ways, if any, have you, (or any member of your family), been affiliated with the University of Maine Cooperative Extension (e.g. attended workshops, received assistance from an Extension Educator, used Extension bulletins, participated in 4-H or other programs, etc.)?
- What employment and/or community service/volunteer work have you done in relationship to your intended chosen field of study?
- What is your interest in pursuing your chosen field of study and what you hope to do after completing your education?
- Priority will be given to students who have experience with cooperative extension and/or have prior experience in their chosen field of study.

The award will be presented at the Annual 4-H Foundation meeting in May at The University of Maine.

**Please return application to:**
