Maine Hunger Dialogue Project
2017 Mini-Grant Application

The goal of the Maine Hunger Dialogue is to inspire students to take action to address hunger on their campuses and in their communities. To help in that effort, participants and campus teams whom attend the 2017 Maine Hunger Dialogue are eligible to apply for a mini-grant of up to $500 in start-up funds to implement a new project, or expand/strengthen/build sustainability for an already existing hunger-related project. Projects could include, but are not limited to, activities such as creating a campus food pantry, developing of a community garden to provide fresh vegetables for food insecure students or community members, initiating a food waste and recovery program, or developing and hosting a public/campus hunger awareness event.

Non-eligible activities include: projects funded in past years by the Maine Hunger Dialogue, scholarships, indirect/overhead expenses and political/lobbying activities.
