

2026 York County 4-H Club Grant

York County 4-H Club Grant application ideas should tie into the 4-H program priorities including community learning projects, philanthropic projects that engage members in the community, and/or new creative educational ideas. Youth are expected to fundraise or seek donations to cover expenses, with the Club Grant making up the difference, up to \$100. The event/activity should be available to all enrolled 4-H members to participate. Age restrictions for participants may be applied when appropriate. Individual clubs/groups may not apply for more than one grant in a 12 month period. York County 4-H will do the best they can to fund all applications based on available funds. Incomplete applications or ideas/activities that do not fall within the scope of 4-H will not be funded. Decisions may take up to four weeks from date of submission.

Eligibility:

- Club is based in York County
- Club has existed for at least one 4-H year (Oct 1 – Sept 30)
- Club has a minimum of four enrolled 4-H members from at least three different families
- Must have an EIN provided by the Extension Office and a bank account maintained by the club leader.
